Re: Response to Public Records Act Request

Dear Conn,

This letter constitutes Ross Valley School District's ("District") follow-up response to your October 7, 2014, request for records pursuant to the California Public Records Act ("PRA"; Gov. Code §6250 *et seq.*).

The PRA does not require a public agency to provide information, answer questions, or compile lists in response to a PRA request. A public agency is only required to provide existing records that are currently in its possession, custody, or control, and that are not exempt from disclosure pursuant to the PRA. Accordingly, the following constitutes the District's determination regarding whether it has existing documents in its possession responsive to your request.

Request:

MAP (Multi-Age Program) enrollment and P2 numbers for the total program for the years 2010-11; 2011-12; 2012-13; 2013-14 and 2014-15, as well as the retention rate and length of the total wait list for each of these 5 years and indistrict vs. out-of-district enrollment numbers.

Response to Request:

Based on its understanding of your request, the District has determined that it does have documents in our possession that are responsive, at least in part, to your request.

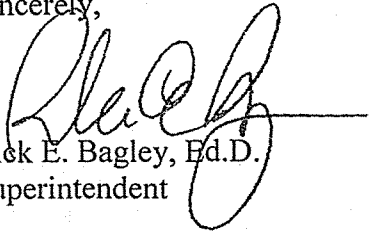

We are providing the attached non-privileged documents that are currently in the District's possession, custody, and control. Those documents are as follows:

- P-2 enrollment numbers for Manor School for the years 2010-11; 2011-12; 2012-13; 2013-14 and 2014-15
- MAP Wait List for 2013-2014, May 27, 2014

The District does not have documents in our possession that are responsive, at least in part, to your request for MAP's length of the total wait list for each of the years requested (2010-11; 2011-12; 2012-13; and 2014-15). No interdistrict or intradistrict transfer students were enrolled in MAP in 2013-2014.

Should you have any questions regarding this matter, please feel free to contact me in writing at your convenience.

Sincerely,

Rick E. Bagley, Ed.D.
Superintendent
