School Description and Mission Statement (Most Recent Year)

Please review and update the information below as needed. This section should include information about your school, its programs and its goals. This section should be kept to 2-3 paragraphs.

Manor School is one of four elementary schools in the Ross Valley School District serving kindergarten through fifth-grade students. The facility is located in the beautiful Oak Manor neighborhood of Fairfax, California in Marin County. In partnership with Expeditionary Learning, the Manor staff and school leadership work collaboratively to create a comprehensive teaching and learning framework that incorporates meaningful and relevant project-based learning grounded in real world problems (expeditions). a deliberate focus on character education through habits of mind, habits of work, and service learning, and an emphasis on student-engaged assessment and high-quality student work. We work in partnership with parents and community members to ensure that all students are engaged, happy, and successful learners. At Manor School, we believe all students can excel to their fullest potential when provided with high-quality instructional programs and highly skilled teaching and support staff. We emphasize a love for learning, academic rigor, a strong connection with our community, and positive character building. At Manor School, we develop and maintain an environment where all adults within the learning community are committed to ensuring a culture of creativity, happiness, confidence, and engagement that benefits all children. Our school’s mission is to provide learning opportunities that are authentic - bringing students and community together for enriched content studies and real life experiences. We recognize that students learn in different ways. We know that learning is optimal when school is partnered with family and community. Through role modeling, we remind our students often of the joy that comes with “learning something new each day.”

Opportunities for Parental Involvement (Most Recent Year)

Please review and update the information below as needed. This section should include information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement. This section should be kept to 1-2 paragraphs.

At Manor School parents are strongly encouraged to participate both in and out of the classroom.

In the classroom opportunities include:

- Supporting teachers with basic tasks
- *Supporting students during independent work time.

Outside of the classroom opportunities include:

*Peace Coach program: encouraging pro-social behavior and fair play during lunch

- Driving on field trips
- Participating as a member of the School Site Council
- Participating as a member of the PTA
- Participating as a volunteer for the YES foundation

School Safety Plan (Most Recent Year)

Please review and update the information below as needed. This section should include information about your school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan (please do not paste your entire safety plan in this field). This section should be kept to 1-2 paragraphs.

Our Emergency plan includes a complete NIMS chart, nine emergency drills per year, and emergency training for all staff. Training includes search and rescue, basic first aid, and student release. Our emergency supply container is checked and re-stocked yearly. We purchased walkies talkies for each classroom to ensure that staff can be contacted in case of an emergency.

School Facility Conditions and Planned Improvements (Most Recent Year)

Please review and update the information below as needed. This section should include information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

You can [click here](#) to submit your school's most recent FIT tool in MS Excel format. Please do not submit your FIT tool in any format other than MS Excel.

Year and month of the most recent FIT report: 12/2016

This section should be kept to 1-2 paragraphs.

The Ross Valley School District passed a \$41 million facility bond in November 2010 to accommodate increased enrollment and replacement and or repairs at Manor and at all other schools in the district. Minor repairs will be made.

Ross Valley School District uses Integrated Pest Management (IPM) strategies and the least toxic method of pest control possible as a means to control unwanted pests. In accordance with AR 3514.2 IPM strategy focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using non-chemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment are used only after careful monitoring indicates they are needed according to established guidelines and treatment thresholds. (California Education Code §17609; Food and Agricultural Code§ 13181)

School Facility Good Repair Status (Most Recent Year)

Please review and update the information below as needed. This section should include information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

Please ensure that this section correlates accurately to the most recent inspection/FIT report for your school.

Teacher Credentials

Please review and update the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated. As this template is thoroughly reviewed each year, please note that the years listed, 14-15, 15-16 and 16-17, are correct.

Teachers at this School	School			District
	2014-15	2015-16	2016-17	2016-17
With Full Credential	20	23	22	131
Without Full Credential Without a full credential (includes LEA and university internships, pre-internships, emergency or other permits, and waivers)	0	0	1	5
Teaching Outside Subject Area of Competence CDE does not collect data on the number of teachers teaching outside their subject area of competence (with full credential). Teaching outside subject area data should be available in the LEA's personnel office. In most instances, teaching outside subject area is a subset of total teacher misassignments (see data definition for Teacher Misassignments).	0	0	1	5

Teacher Misassignments and Vacant Teacher Positions

Please review and update the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated. As this template is thoroughly reviewed each year, please note that the years listed, 14-15, 15-16 and 16-17, are correct.

Indicator	2014-15	2015-16	2016-17

Textbooks and Instructional Materials (Most Recent Year)

This section describes 1) whether the textbooks and instructional materials used at the school are from the most recent adoption, 2) whether there are sufficient textbooks and instructional materials for each student 3) and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

List all textbooks and instructional materials used in the school in **core subjects** (reading/language arts, math, science, and history-social science), including:

- Year they were adopted
- Whether they were selected from the most recent list of standards-based materials adopted by the State Board of Education (SBE) or local governing board
- Percent of students who lack their own assigned textbooks and/or instructional materials*
- For kindergarten through grade 8 (K-8), include any supplemental curriculum adopted by local governing board

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

Please ensure that this section correlates accurately to most recent adoption of textbooks for your LEA.

Year and month in which data were collected: December 2016

This section should be kept to 1-2 paragraphs.

During the 2014-15 school year, the school and each classroom developed a classroom library of leveled readers including a variety of genres. Each student has the opportunity to have both literary and informational texts to read at their own level within the classroom, and the school is able to differentiate for students who need reading interventions and are reading above or below grade level. All students have sufficient textbooks and/or instructional materials in each subject area for in-school work and homework.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2014-15)

The fields that are, **highlighted yellow**, are populated for you with data provided by CDE (as available).

Percent differences, **highlighted light-blue**, are calculated by this form.

The remaining data was copied over from last year's SARC and should be reviewed/updated, with data from FY 14-15, as needed.

The most recent data available from CDE is for fiscal year 2014-15. For comparison purposes, data for the same fiscal year is requested from the school.

As this template is thoroughly reviewed each year, please note that the year listed, fiscal year 14-15, is correct.

Level	Expenditures Per Pupil			Average Teacher Salary

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

Basic/Unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Types of Services Funded (Fiscal Year 2015-16)

Please review and update the information below as needed. This section should include specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

As this template is thoroughly reviewed each year, please note that the year listed, fiscal year 15-16, is correct.

The Local Control Accountability Plan (LCAP) approved by the Board of Education trustees has provided additional supports at Manor Elementary School by increasing the support staff as well as a District Wide Math Coordinator in curriculum and a Special Education Coordinator to support the Student Services Department. Both Title II funds and the Educator Effectiveness Grant supports professional growth and development. State and Federal funds ensure that all students identified with a disability receive a Free and Appropriate Public Education. In addition, the school receives Federal Title I and Title III funds to support interventions for students

Professional Development (Most Recent Three Years)

Please review and update the information below as needed. This section should include the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may also be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

Transitioning to the Common Core Math standards was the focus of professional development in the 2011-12 school year. Teachers benefited from two staff development days with Phil Daro, author of the CC math standards, with follow up work on designing units of study with trainers from the California Math Project. For the 2016-7-16 school year, the District has a Math Coordinator who is providing professional development in the 8 mathematical practices for each grade level.

Professional Development in the 2012-13 school year focused on providing all teachers in the district with Guided Language Acquisition Design (G.L.A.D.) training. Two district-wide staff development days and four teacher release days for all teachers, K-8 provided comprehensive training in these strategies, designed to provide differentiation for all students. Coaching in these strategies continues during the 2013-14 school year.

The focus of teacher professional development in the 14-15, 15-16, and 16-17 school year is focused on the development of units aligned with the Common Core Standards in English Language Arts. Three district-wide staff development days, along with teacher release days have provided the time for teachers to learn the process for developing CC aligned units using readers and writers workshop to implement the English
