**School Description and Mission Statement (Most Recent Year)**

Please review and update the information below as needed. This section should include information about your school, its programs and its goals. This section should be kept to 2-3 paragraphs.

Wade Thomas School is located in Marin County and is one of four elementary schools in the Ross Valley School District serving kindergarten through fifth grade students. It is located in one of San Anselmo’s oldest neighborhoods. It stands on the site of the original grammar school built in 1879. San Anselmo is a small town within commuting distance from San Francisco. Our student population draws from a community of professionals and artisans as well as students from the nearby San Francisco Theological Seminary. At Wade Thomas, we place a high value on social emotional learning and community, in addition to academic excellence. Wade Thomas received an overall API ranking of 938 in both 2011-2012 and 2012-2013 and has performed well on state testing when compared with the county and state overall . Eighty-six percent (86%) of our students met or exceeded standards on the ELA portion of the California Assessment of Student Performance and Progress; eighty-two percent achieved the same levels on the Math assessment. Wade Thomas received the California Distinguished School Award in 1997 and 1989.

Wade Thomas envisions a program that cultivates compassionate, inquisitive, reflective learners who are prepared to actively participate in a democratic society. We believe all children can learn, be successful, and contribute to a changing world. The Wade Thomas mission is to provide comprehensive learning experiences based on best practices and creative teaching:

- Where students will develop confidence in their ability to think for themselves, analyze a variety of situations, find creative solutions, and generate a love of learning;
- Where students will approach the world beyond their immediate community with a sense of respect, wonder and responsibility;
- Where students will be challenged to reach their highest learning potential within a rigorous academic context enriched by access to the arts.
- We will prepare our students to be self-motivated, life-long learners.

### Opportunities for Parental Involvement (Most Recent Year)

Please review and update the information below as needed. This section should include information on how parents can become involved in school activities, including contact information pertaining to organized opportunities for parent involvement. This section should be kept to 1-2 paragraphs.

---

Parents at Wade Thomas participate directly and indirectly in delivery of the instructional program in a variety of ways. They serve as volunteers in the classroom, on field trips, helping with special projects, and on various committees to support the instructional program, provide enrichment opportunities, and community building activities. Parents help develop projects and programs through a variety of opportunities including Site Council, Wade Thomas Parents Association (WTPA) YES Foundation and, District committees. The WTPA is the primary body which organizes volunteers and generates opportunities to involve the community at large (examples: Mustang Roundup, International Day, Science Fridays, school celebrations, school beautification, Lap-a-Thon, Student Council, lunchtime activities, and school assemblies). Parent volunteers manage a website with school and community information and help in publishing the weekly Wade Thomas News. The WTPA website, [www.wadethomasschool.org](http://www.wadethomasschool.org), includes contact information and links for volunteer opportunities.

### School Safety Plan (Most Recent Year)

Please review and update the information below as needed. This section should include information about your school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan (please do not paste your entire safety plan in this field). This section should be kept to 1-2 paragraphs.

---

The Board of Trustees adopted the Ross Valley School District's School Safety in February 2016. The plan details procedures for child abuse reporting. It also includes procedures for disaster preparedness and response. Our site's emergency plan includes a complete NIMS chart, ten emergency drills per year, and emergency training for all staff. Training includes search and rescue, basic first aid, and student release. Our emergency supply container is checked and restocked yearly. Board policies on suspension and expulsion, procedures to notify teachers of dangerous pupils, sexual harassment, school-wide dress code, procedures of safe ingress and egress of pupils and rules and procedures on school discipline are also components of the plan.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Please review and update the information below as needed. This section should include information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

You can [click here](#) to submit your school's most recent FIT tool in MS Excel format. Please do not submit your FIT tool in any format other than MS Excel.

---

**Year and month of the most recent FIT report: 12/2016**

This section should be kept to 1-2 paragraphs.

The Ross Valley School District passed a \$41 million facility bond in November 2010 to accommodate increased enrollment and replacement and/or repairs at Wade Thomas and other schools in the district. Wade Thomas Elementary added 3 new classrooms and a playground during the summer of 2015.

Ross Valley School District uses Integrated Pest Management (IPM) strategies and the least toxic method of pest control possible as a means to control unwanted pests. In accordance with AR 3514.2 IPM strategy focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using non-chemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment are used only after careful monitoring indicates they are needed according to established guidelines and treatment thresholds. ( California Education Code §17609; Food and Agricultural Code§ 13181)

**School Facility Good Repair Status (Most Recent Year)**

Please review and update the information below as needed. This section should include information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

**Please ensure that this section correlates accurately to the most recent inspection/FIT report for your school.**

### Teacher Credentials

Please review and update the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated. As this template is thoroughly reviewed each year, please note that the years listed, 14-15, 15-16 and 16-17, are correct.

Teachers at this School	School			District
	2014-15	2015-16	2016-17	2016-17
<b>With Full Credential</b>	20	22	25	131
<b>Without Full Credential</b> Without a full credential (includes LEA and university internships, pre-internships, emergency or other permits, and waivers)	0	0	0	5
<b>Teaching Outside Subject Area of Competence</b> CDE does not collect data on the number of teachers teaching outside their subject area of competence (with full credential). Teaching outside subject area data should be available in the LEA's personnel office. In most instances, teaching outside subject area is a subset of total teacher misassignments (see data definition for Teacher Misassignments).	0	0	0	5

### Teacher Misassignments and Vacant Teacher Positions

Please review and update the information below as needed. This section should include the number of teachers that fall into each category listed for the year indicated. As this template is thoroughly reviewed each year, please note that the years listed, 14-15, 15-16 and 16-17, are correct.

Indicator	2014-15	2015-16	2016-17
<b>Misassignments of Teachers of English Learners</b> 'Misassignments' refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.	0	0	0
<b>Total Teacher Misassignments</b> 'Misassignments' refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.	0	0	0
<b>Vacant Teacher Positions</b> 'Vacant Teacher Positions' refer to positions not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester.	0	0	0

### Academic Counselors and Other Support Staff (School Year 2015-16)

The data that is currently displayed in this table was carried over from last year's SARC. Please update the FTE for each category as needed. This section should include the number of staff, full time equivalent (FTE), employed at your school that fall into the categories listed.

One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50% of full-time.

As this template is thoroughly reviewed each year, please note that the year listed, 15-16, is correct.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
<b>Academic Counselor</b>		
<b>Counselor (Social/Behavioral or Career Development)</b>	.4 FTE	♦
<b>Library Media Teacher (Librarian)</b>		♦
<b>Library Media Services Staff (paraprofessional)</b>	1 FTE	♦

### Textbooks and Instructional Materials (Most Recent Year)

This section describes 1) whether the textbooks and instructional materials used at the school are from the most recent adoption, 2) whether there are sufficient textbooks and instructional materials for each student 3) and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

List all textbooks and instructional materials used in the school in **core subjects** (reading/language arts, math, science, and history-social science), including:

- Year they were adopted
- Whether they were selected from the most recent list of standards-based materials adopted by the State Board of Education (SBE) or local governing board
- Percent of students who lack their own assigned textbooks and/or instructional materials\*
- For kindergarten through grade 8 (K-8), include any supplemental curriculum adopted by local governing board

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

---

**Please ensure that this section correlates accurately to most recent adoption of textbooks for your LEA.**

**Year and month in which data were collected:** December 2015

This section should be kept to 1-2 paragraphs.

During the 2014-15 school year, the school and each classroom developed a classroom library of leveled readers including a variety of genres. Each student has the opportunity to have both literary and informational texts to read at their own level within the classroom, and the school is able to differentiate for students who need reading interventions and are reading above or below grade level. All students have sufficient textbooks and/or instructional materials in each subject area for in-school work and homework.

### Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2014-15)

The fields that are, **highlighted yellow**, are populated for you with data provided by CDE (as available).

Percent differences, **highlighted light-blue**, are calculated by this form.

The remaining data was copied over from last year's SARC and should be reviewed/updated, with data from FY 14-15, as needed.

The most recent data available from CDE is for fiscal year 2014-15. For comparison purposes, data for the same fiscal year is requested from the school.

As this template is thoroughly reviewed each year, please note that the year listed, fiscal year 14-15, is correct.

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted Sources	Basic/ Unrestricted Sources	
School Site	5654.00	1914.00	3740.00	65747.00

State	◆	◆	<b>\$5,677</b>	<b>\$71,610</b>
Percent Difference: School Site and State	◆	◆	-30.1	-4.8

◆ means data is not required. The fields are intentionally not provided.

**Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

**Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

### Types of Services Funded (Fiscal Year 2015-16)

Please review and update the information below as needed. This section should include specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

As this template is thoroughly reviewed each year, please note that the year listed, fiscal year 15-16, is correct.

---

The Local Control Accountability Plan (LCAP) approved by the Board of Education trustees has provided additional supports at Wade Thomas Elementary School by increasing the support staff as well as a District Wide Math Coordinator in curriculum and a Special Education Coordinator to support the Student Services Department. Both Title II funds and the Educator Effectiveness Grant supports professional growth and development. State and Federal funds ensure that all students identified with a disability receive a Free and Appropriate Public Education. In addition, the school receives Federal Title I and Title III funds to support interventions for students and English Language Learners.

### Professional Development (Most Recent Three Years)

Please review and update the information below as needed. This section should include the number of days provided for professional development and continuous professional growth in the most recent three year period. Questions that may also be answered include:

- What are the primary/major areas of focus for staff development and specifically how were they selected? For example, were student achievement data used to determine the need for professional development in reading instruction?
- What are the methods by which professional development is delivered (e.g., after school workshops, conference attendance, individual mentoring, etc.)?
- How are teachers supported during implementation (e.g., through in-class coaching, teacher-principal meetings, student performance data reporting, etc.)?

---

Transitioning to the Common Core Math standards was the focus of professional development in the 2011-12 school year. Teachers benefited from two staff development days with Phil Daro, author of the CC math standards, with follow up work on designing units of study with trainers from the California Math Project. For the 2015-16 school year, the District has a Math Coordinator who is providing professional development in the 8 mathematical practices for each grade level.

Professional Development in the 2012-13 school year focused on providing all teachers in the district with Guided Language Acquisition Design (G.L.A.D.) training. Two district wide staff development days and four teacher release days for all teachers, K-8 provided comprehensive training in these strategies, designed to provide differentiation for all students. Coaching in these strategies continues during the 2013-14 school year.

The focus of teacher professional development in the 2013-14 and 2015-16 school year is on the development of units aligned with the Common Core Standards in English Language Arts. Three district wide staff development days, along with teacher release days have provided the time for teachers to learn the process for developing CC aligned units using readers and writers workshop to implement the English Language Arts CCSS.

**CDE is not providing data for these areas.**
